Am **Em**

Now that you have gone away

Dm **Em**

I feel so cold, why did I stay?

Am **Em**

Remember, I ll remember your face so pale

Dm **Em** **Am**

when you left me on that gloomy day...

Am **Em**

Time goes by, memories are mine

Dm **Em**

Still waiting for the moment I ll see you again

Am **Em**

Times are changing, memories are fading

Dm

I m waiting for another chanceÂ

Em **E**

to tell you belong to me

Am **G**

One day

F **E**

I know we ll meet again

Dm **E**

Under the Iron Sky.
