

Afraid Of Everest - Lonely Starship

Misc Unsigned Bands

this is how i play the song. it s not 100% correct but it works well with a lower male voice.

Dm **F** **C**
You always insist on going to the edge
Gm
But it just keeps on getting farther
Dm **F** **C**
You re flyin past the black holes and supernovas, faraway explosions
Gm
You re landing on the surface
Dm **F**
Look, you ve found something new
C **Gm**
Oh you re getting closer to me now, closer to me now

same for the rest of the song, apart from the end where C is replaced by an Am

Dm : x57761
F : x33211
C: x3201x
Gm : x55333
