All you want is for her to say the words.

Am F C

All you want is for her to say them now.

F An

You want her to tell you fast.

F G C

You want her to tell you slow.

And she s lighting another cigarette. And she s looking to see what s on tv. If she s doesn t glance your way, you might as well be 6ft down.

What a funny shadow you have. When you look behind you, now it s gone. And it s just you and her, eating fish and drinking sea.

If you love something set it free that s what everybody likes to say, but what are you meant to do while waiting for her to come around?

All you want is for her to say the words. All you want is for her to say them now.

You want her to tell you fast.

You want her to tell you slow,

F Am

But somehow it s getting hard

F G C

remembering what you used to know.
