

**Aiden Grimshaw - Is This Love**  
**Misc Unsigned Bands**

So I was kind of lazy and didn't put chords to every single line, but it's enough to get the idea, right?

CAPO: 1

[Verse 1]

**Bm**

As the shadow looms over

**A E**

Covers me and I can't see

**Bm**

So you better move over

**A E**

Cause I can't breathe

There's a fiery eye in the middle of the dark sea

And it's pulling me down

So I can't breathe

And as you pull out your gun point blank got a feeling this can't be

The air is moving around me but I can't breathe

I can't breathe

[Chorus]

**Bm A**

Is this love?

**D G**

When the sun goes down

Is this love?

When the sun goes down

But this love, it's just not enough for me

It's just not enough for me

Violently I've come around

[Verse 2]

**Bm A E**

An extension of hope, this could be misleading

**Bm**

Could you write it down now

**A E**

Cause I can't speak

And it cuts like a knife in the cracks that I can't read

And you're pulling me down so I can't breathe

And there's a fire eye in the middle of the dark sea

And it's pulling me down so I can't breathe

I can't breathe

[Play Chorus Again]
