*Capo 5

Cadd9 **G**
Youre a woman after my own heart, is what he said,
C **D**
We should trade this messy Chevrolet in, for a truck bed,
Cadd9 **G**
And head over when the night comes callin to the drive-in show,
C **D**
Well baby anywhere you were going is where Is gonna go...

CHORUS

Cadd9
I was yellin the words to Waylon,
G
On that worn-out Chevy seat,
C
One-arm tanned with toes on the dash,
D
Soakin up that dixie heat,
Cadd9 **G** **C** **D**
We didnt have a clue, or two cents to rub or give,
Cadd9 **G** **C** **D**
Just an ol bottle of wine and our whole lives to live,
Cadd9 **G**
Some might say that we had nothin
C **D**
But that was way back when,
Cadd9
Way back when we had everything.

G,C,D

Cadd9 **G**
I love gettin dressed up to the nines, he said across the table,
C **D**
In that southern drawl and I d of breathed if I were able,
Cadd9 **G** **C,D**
But he stole my breath in that most wonderful way,
Cadd9 **G C** **D**
Just the way a pen steals your thoughts for the page...

Cadd9
I was yellin the words to Waylon,
G

On that worn-out Chevy seat,

C

Porchlight kisses after curfew,

D

Holes in our story and in our jeans,

Cadd9

G

C

D

We didnt have a clue, or two cents to rub together,

Cadd9

G

C

D

Just a buzz on a summer night and the promise of forever,

Cadd9

G

Some might say that we had nothin

C

D

But that was way back when,

Cadd9

Way back when we had everything.

G,C,D

Cadd9

And I reach over just to feel your hand in mine,

Cadd9

G

C

D

And to know I still have everything even after all this time...

Cadd9

Yeah I was yellin the words to Waylon,

G

In that worn-out Chevy seat,

C

A ride and that crooked smile,

D

Is what you were givin me,

Cadd9

G

C

D

We didnt have a clue, or two cents to rub or give,

Cadd9

G

C

D

Just an ol bottle of wine, and our whole lives to live,

Cadd9

G

Some might say that we had nothin

C

D

But that was way back when,

Cadd9

Way back when you had me at hello,

G

C, D

At dirt roads and rolled down windows.

Cadd9

G

Some might say that we have nothin

C
