VERSE 1:

Ebm B C#
You wander around on these streets for hours,
Ebm B C#
Wondering why Iâ€™m not likely found.
Ebm B C#
Walking around like personified dreamsâ€“
Ebm B C#
A blend of a ghost and whatâ€™s missing from me
B C# B C#
Iâ€™m never gone, you always bring me back

CHORUS:

F# B Ebm C#
I am surrounded by your eyes
F# B Ebm C#
Lighting up dark skies all through the night
F# B Ebm C#
I am turning the pages
F# B Ebm C#
Though all sorts of changes lie waiting for me
F# B Ebm C#
I finally know what it means.
F# B Ebm C#
I finally know what you mean to me.

VERSE 2:

Ebm B C#
The roads never end you just end up in somewhere
Ebm B C#
A place that you choose or one youâ€™ll regret
Ebm B C#
But donâ€™t let it change the person you are
