```
C
My days are heavy,
on the inside of my night
My gaze falls heavy,
      Am
on the inside of your denial
Better they come,
            Am
better days come,
Better they come,
            Am
better days come,
It s your lies....
My days are heavy,
on the inside of my night
My gaze falls heavy,
       Am
on the inside of your denial
Better they come,
better days come
Better they come,
           Αm
better days come
It s your lies....
