**Am G**  
I ve been waiting such a long time  
**C F**  
For a letter with my name  
**Am G**  
I ve been faking it through classes  
**C F**  
But its really not the same  
**Am G**  
My friends all think I m crazy  
**C F**  
They tell me I m insane  
**Am G**  
I wish I were on that platform  
**C C**  
Getting on that train

**Am G**  
I see me running through that brick wall  
**C F**  
With a goofy grin upon my face  
**Am G**  
I m faster than a firebolt  
**C F**  
And all my mistakes will be erased

**Am G**  
I d be following the Weasleys  
**C F**  
To where we could be embraced  
**Am G**  
I wish I were headed up to Hogwarts  
**C C**  
Where I could find my place

**F C G Am**  
 September First , now it s time to leave  
**F C G Am**  
 We choose who we want to be  
**F C G Am**  
 It s a reminder of everything we ve got  
**F C G Am**  
 So meet me in the morning at King s Cross X2

**Am G**  
 If I had a phonebooth  
**C F**  
 I could go just where I please  
**Am G**  
 I could travel back in time or  
**C F**  
 Go deep into the Ministry  
**Am G**  
 Reality s for suckers  
**C F**  
 Thats one thing I believe  
**Am G**  
 And in the stones of the caste  
**C C**  
 That s waiting there for me

**Am G**  
 As the summers ending,  
**C F**  
 And we think of how we ve grown  
**Am G**  
 How we ended up together,  
**C F**  
 When we started out alone  
**Am G**  
 What s coming will come  
**C F**  
 This is all well known  
**Am G**  
 Don t you wave your goodbyes  
**C C**
