I ve been waiting such a long time
C# F#
For a letter with my name
Bbm G#
I ve been faking it through classes
C# F#
But its really not the same
Bbm G#
My friends all think I m crazy
C# F#
They tell me I m insane
Bbm G#
I wish I were on that platform
C# C#
Getting on that train

Bbm G#
I see me running through that brick wall
C# F#
With a goofy grin upon my face
Bbm G#
I m faster than a firebolt
C# F#
And all my mistakes will be erased

Bbm G#
I d be following the Weasleys
C# F#
To where we could be embraced
Bbm G#
I wish I were headed up to Hogwarts
C# C#
Where I could find my place

F# C# G# Bbm
 September First , now it s time to leave
F# C# G# Bbm
 We choose who we want to be
F# C# G# Bbm
 It s a reminder of everything we ve got
F# C# G# Bbm
 So meet me in the morning at King s Cross X2

Bbm G#
 If I had a phonebooth
C# F#
 I could go just where I please
Bbm G#
 I could travel back in time or
C# F#
 Go deep into the Ministry
Bbm G#
 Reality s for suckers
C# F#
 Thats one thing I believe
Bbm G#
 And in the stones of the caste
C# C#
 That s waiting there for me

Bbm G#
 As the summers ending,
C# F#
 And we think of how we ve grown
Bbm G#
 How we ended up together,
C# F#
 When we started out alone
Bbm G#
 What s coming will come
C# F#
 This is all well known
Bbm G#
 Don t you wave your goodbyes
C# C#
 Hogwarts I m coming home
