

Alex Forman - No Ron Like Yo Ron  
Misc Unsigned Bands

C E7 F x2

C                            E7                            F  
Who s the guy who s there

C                            E7                            F  
when everything goes wrong?

C                            E7                            F                            G  
He s that special someone who we can count on

   C                            F  
Cause there s no Ron like yo Ron

**Am**                            G  
He s the guy who keeps us together

   C                            F  
And there s no Ron like yo Ron

   Am                            G                            F  
He s the Ron for you and me

   Am                            G                            F  
He s the Ron for you and me

   Am                            G                            F  
He s the Ron for you and me
