Tuning:Standard

this song uses lots of open string chords,so i wrote out the variations of the chords used:

	D	G	Bm	A
e	---0-----0-----	---0-----0-----	---2-----2-----	---0-----0-----
B	---3-----3-----	---3-----3-----	---2-----2-----	---0-----0-----
G	---2-----2-----	---2-----2-----	---4-----4-----	---2-----2-----
D	---0-----0-----	---0-----0-----	---4-----4-----	---2-----2-----
A	-----x-----	-----x-----	---2-----2-----	---0-----0-----
E	-----3-----	-----3-----	-----3-----	-----3-----

also,i find for the bridge,the D part sounds really good either fingerpicked or palm muted, but i could be crazy.
