**Misc Unsigned Bands**

Capo: No capo

[riff]

[G] [Em]

Wanna live, I can't deny, Just wanna fight, Who am I?

[C] [D]

To face this world and Know I'm right.

[G] [Em]

Things I see are far away, so anywhere to everyday,

[C] [D] [Cm] [G]

I just start walking, just start walking away from here, away from here.

[chorus]

[Em] [C] [Cm] [G]

So why do I know, where do I go, what do I show, when

[Em] [C] [D]

So why do I know, so far you go, how do I know?

[riff]

[G] [Em]

I moved along, I'm feeling strong, I'm at the point where I belong

[C] [D]

My faith in me has kept me free

[G] [Em]

Temptation calls to change my way, Undoing what I do each day

[C] [D] [Cm] [G]

I just keep walking, just keep walking away from here, away from here,

[chorus]

[Em] [C] [Cm] [G]

So why do I know, where do I go, what do I show, when

[Em] [C] [D]

So why do I know, so far you go, how do I know?

[G] [Em] [C] [D]

How will I be tomorrow, If I choose to forgo all I'm traveling on

[G] [Em]

Wandering through all these places, wandering through where my space is,

[C] [D]

I'm searching keep on searching!

[G] [Em]

Can't deny doubt of mine and wondering who am I,

[C] [D]

Have I left all the worlds behind

[chorus]
