

**Analogue Revolution - Light**  
**Misc Unsigned Bands**

**C** **Gm**  
I know it isn't so easy  
**C** **Gm**  
from where you are  
**C** **Gm**  
I wanna shine like a beacon  
**C** **Gm**  
right through the dark

**Am** **F** **C** **G**  
I'll light a light tonight to make it brighter for you  
**Am** **F** **C** **G**  
I'll light a light tonight hoping it might guide you through

**C** **Gm**  
You're feeling lost and lonely  
**C** **Gm**  
so far from home  
**C** **Gm**  
I wish my arms were your shelter  
**C** **Gm**  
you'd be safe and warm.

**Am** **F** **C** **G**  
I'll light a light tonight to make it brighter for you  
**Am** **F** **C** **G**  
I'll light a light tonight hoping it might guide you through

**Am** **G**  
It's just a simple flame  
**C** **F**  
to keep my fears away  
**C** **G**  
until I see you again

**Am** **F** **C** **G**  
I'll light a light tonight to make it brighter for you  
**Am** **F** **C** **G**  
I'll light a light tonight hoping it might guide you through
