

Anchor The Tide - Fire On The Dancefloor
Misc Unsigned Bands

<https://www.facebook.com/anchorthetide>

Throughout this song there are lots of picked arpeggios and solos over the chords

listed. My listening skills are still too weak to accurately tab them out so this

is what I have to offer.

Key: E Major

Intro Hook:

E F# G# B C#

I II III V->VI

E G# E G#

I III I III

E

This all started as a dream

G#

But in the end you were nothing

E

From the start I saw this leading

G#

To a tragic ending

I III I III

But somewhere down the line
You forgot to watch the time
But as midnight arrives
It will only be a memory

Chorus:

E F# G# B C#

I II III V->VI

E

F#

The clock strikes twelve

G#

B

C#

And your dreams are shattered just like glass

E

F#

And grace is what you lack

G#

B

C#

As your cinderella story turns to ash

E

It turns to ash

I III I III

So grab your heels and make your run
This fairy tale will be undone

And when the bell begins to chime
...You re out of time

Chorus

I III I III

So strike a match and walk away
This is what its like to be a slave
Now you re soaked in gasoline
So let us count our blessings

Chorus
