

**Andrea Martin - My Hearts Addicted**  
**Misc Unsigned Bands**

Feel free to use capo, but it s not necessary :)

**Em**

We re to never cave this fall,

**C**

Cause with you I know I got it all.

**G**

**D**

You said to me, I m not the enemy.

**Em**

You know you gotta earn my trust

**C**

Yes, you say it for the both of us

**G**

And I love to hear you

**D**

It s been good ever since.

**G**

Seeing your smile, when I think about you.

**D**

What in the world could come closer to.

**Em**

I said the things I ve been meaning to say,

**C**

Cause I Know I m really not afraid.

**G**

I think about everything that we do,

**D**

Cause I know my heart is addicted to you.

**Em**

I know my heart is addicted to you,

**C**

**D**

**G**

And I can t help feeling this way.

**Em**

Man, I m really feeling this flow

**C**

Hope we never take it real slow

**G**

**D**

Impossible, impossible.

**Em**

Never been this way

**C**

Never believed in faith

**G**

It s incredible

**D**

What love would do.

**G**

Seeing your smile, when I think about you.

**D**

What in the world could come closer to.

**Em**

I said the things I ve been meaning to say,

**C**

Cause I Know I m really not afraid.

**G**

I think about everything that we do,

**D**

Cause I know my heart is addicted to you.

**Em**

I know my heart is addicted to you,

**C**

**D**

**G**

And I can t help feeling this way.

**G**

**D**

**Em**

I feel it s been so; perfect all around like a rainbow.

**C**

Could never let go,

**G**

Cause its never felt this strong

**D**

Like we belong

**Em**

**C**

It s been too long, oh yeah

**G**

It s never been this strong

**D**

Right or wrong

**Em**

**C**

We belong, oh yeah

**G**

Seeing your smile, when I think about you (think about you)

**D**

What in the world could come closer to.(Oh ohh)

**Em**

I said the things I ve been meaning to say,

**C**

Cause I Know I m really not afraid. (I m not afraid)

**G**

I think about everything that we do,

**D**

Cause I know my heart is addicted to you. (Addicted to you)

**Em**

I know my heart is addicted to you, (yeaah)

**C**

**D**

**G**

And I can t help feeling this way
