G* **D***
I sit and play guitar

C*
And all my thoughts in my head

AM*
Itâ€™s too much for me

G
When are Iâ€™m going to see

G* **D***
I think of her every day

C*
But I never going to say

AM*
That I will love her to the end

G
If she says she loves me then

G* **D***
I totally love you

C*
I look on you every day

AM*
But you donâ€™t even care

G
Because itâ€™s like Iâ€™m not there

G* **D***
When are Iâ€™m going to see

C*
That it never be you and me

AM*
Iâ€™m really a mess

G
And there are nothing more to test

G* **D***

But if you only say

C*

That maybe some day

AM*

Iâ€™m going to love you

G

And you are going to love me

G*

D*

If you say that to me

C*

Then I know Iâ€™ll be free

AM*

And then I can see

G

That the world is only you and me

G*

D*

I know you think Iâ€™m crazy

C*

But itâ€™s only called love

AM*

And one day, maybe

G

It will be you and me
