And there are nothing more to test	G#
	And there are nothing more to test

But if you only say
C#\*

That maybe some day
BbM\*

I'm going to love you
G#

And you are going to love me

G#\*

Eb\*

If you say that to me
C#\*

Then I know I'll be free
BbM\*

And then I can see

That the world is only you and me

G#

G#\* Eb\* I know you think I'm crazy

But it's only called love

BbM\*

And one day, maybe

G#

It will be you and me
