**Misc Unsigned Bands**

This is my first tab... it is a song i wrote by myself. I hope you like it and plz comment and rate.

I Will Forever be here

Capo 4th fret.

**G**

This feeling

**G/F#**

so hard to explain

**Dsus4**                    **Em7**

it's beating, it's knocking

**Cadd9**

my heart gonna blow anyway

**G**                            **G/F#**

you can't imagine me how i am

**Dsus4**                            **Em7**

**Cadd9**

you cannot tell me what I feel right now

**G**                            **G/F#**

it's been a long time since I met you

**Dsus4**                            **Em7**

it's been a long time since I saw you last time

**Cadd9**

and i'm gonna tell you

Chorus:

**G**

i'm not leaving

**G/F#**

i'm still right here in your heart

**Dsus4**

if your miss me

**Em7**                            **Cadd9**

you can think of the start we created

**G**

and i'm not leaving

**G/F#**                            **G**

I will forever be here

Vers 2:

**G**

every morning

**G/F#**

I thought of your smile

**Dsus4**                    **Em7**

so cute, so sexy

**Cadd9**

you looked like a volcano that erupt any moment

**G** **G/F#**

every time you looked at me

**Dsus4** **Em7**

I don't knew what you feeled

**Cadd9**

but the feeling you created inside me was strong

**G** **G/F#** **G**

and my song still goes

Chorus:

**G**

i'm not leaving

**G/F#**

i'm still right here in your heart

**Dsus4**

if you miss me

**Em7** **Cadd9**

you can think of the start we created

**G**

and i'm not leaving

**G/F#** **G**

I will forever be here

Bridge:

**Em**

when we said goodbye

**Dm**

you looked like an angel that could fly

**Am**

I wish I could fly

**Em**

I wish I could fly to you right now

**G**

and it still goes this way

Chorus: X2

**G**

i'm not leaving

**G/F#**

i'm still right here in your heart

**Dsus4**

if you miss me

**Em7** **Cadd9**

you can still think of the start we created

**G**

and i'm not leaving

**G/F#** **G**

I will forever be here

Last Chorus:

**Em**

iÂ´m not leaving

**Dm**

I will never leave

**Am**

I will forever be by your side

**EM**

you donÂ´t have to miss med anymore

**G**

and iÂ´m not leaving

**G/F#**            **G**

I will forever be here
