E major: 022100
A major add 9: 577600
B major add 11: 799800
C# minor 7: X46600

Tip: In Amaj and Bmaj the E String is held down by your pointing finger, so it s

like Barré without pushing down the B and e strings.

One, Two,
A- One, Two!

[REFRAIN 2x:]
          **E**
Kill the zombies
                              **Aadd9**
By shooting them in the head
                 Badd11
They can t eat you
                 **E**
If you make them dead
                     **E**
Shoot The Zombies

**E**
Hey!

           Badd11                **E**          Badd11      **Aadd9**
They ll limp around in blood and cover things in stains
                 Badd11            **E**                Badd11      **E**
They ll moan and grown and try to eat your flesh and brains
         **Aadd9**          Badd11           **E**                  **C#m7**
But if you lead them down an alley you can snipe them pretty badly
         **Aadd9**          Badd11             **E**
 Cause the best way to kill zombies is by shooting them in the head
