Oh-oh-oh...

Structure and separation s theme.
Bring together what is left to be.
The time and the fundamental place...
Fashioned in sweet comissioned grace.
Drawn upon a line so neatly traced...
That one must leave his eyes in place.

Ay....I m Entombed.
Ay....With you.
Oh...

You re from where they d never see me again.
With a curse on ancient bones from softer lips.
Deja vu and da day Jah come again....
Oh and rescue the bitten apple on her ship singin

Ay....I m Entombed.
Ay....With you.
Oh...

Hope it makes sense. Once you get the rythm going, you ll get it.
