The Outhouse by Angela Durand & Gerry Penner
Parody of House Of The Rising Sun

Am C D F Am C E E
There is an outhouse where we camp; It s painted ugly brown,
Am C D F
And if you look on down that hole,
Am E Am E
You ll see one heck of a mound

Am C D F Am C E E
You guys, you re the lucky ones, you pee standing on your feet
Am C D F
Us gals, we have no other choice,
Am E Am E
Than to sit on that ice-cold seat.

Am C D F Am C E E
Oh Mothers, tell your children, to watch out where they aim,
Am C D F
Cos if there s urine on the floor,
Am E Am E
Well you re the ones to blame.

Am C D F Am C E E
Well the odour of the outhouse, it really does offend
Am C D F
Sometimes the smell is so bad
Am E Am E
That I d rather wear Depends

Am C D F Am C E E
There is an outhouse where we camp; It s painted ugly brown,
Am C D F
And if you fall on down that hole,
Am E Am
Your body will never be found
