They always told me i d meet you one day  
**F** **C** **G**  
Who d have thought when i met you i d throw you away  
**Am** **F** **Am**  
The new life is great but the old one meant more  
**F** **C** **G**  
The love that i miss from the man i adore  
  
**F** **C** **F** **C**  
But i left you to crumble in your bedroom alone  
**F** **C** **G**  
Now i ll never forgive me for what i said i d outgrown  
**F** **C** **Am**  
If i could take it all back I d take it all back  
**F** **C** **G** **Am**  
I promised i d never admit but i must  
**F** **C** **G**

Late in eleven my heart hit the floor  
**F** **C** **G**  
I swept it under the rug and swept it clear out the door  
**Am** **F** **Am**  
When the time came that i needed the love of my life  
**F** **C** **G**  
You werent there to save me so he made me his wife  
  
**F** **C** **F** **C**  
But i left you to crumble in your bedroom alone

 And the last time i saw you i poured out my heart  
**F** **C** **G**  
 Over some drinks on my brothers front porch  
**F** **C** **Am**  
 And i knew in the morning you would have forgot  
**F** **C** **G**  
 The things that i told you that night while i sobbed  
**F** **C** **G** **Am**  
 If it wasn t meant to be then it wasn t meant to be  
**F** **C** **G**  
 And forget this i beg of you please

**F** **C** **F** **C**  
 But i left you to crumble in your bedroom alone
