Repeat the chords for each verse

C	Em	D/E
From where I stand	your heart seems cold	
A/F		Am/F
Just know that you re not alone		
Me and you are in this together		
But together doesn t mean forever		
From where I stand you hang your head		
Don t listen to the words they said		
Just brush it off and you know-oh		
Just take a breath and let it go		
Hold your head up high
