

Ass Ponys - Dried Up
Misc Unsigned Bands

[Verse]

G **C**
Hang dog you sitting and counting nameless stars
G **C**
And when you look down you re beginning to fall away
G **C**
You re dried up like an august creekbed and mounted in an album
G
With some photos of your summer friends

I can t tell what the note on the back said
C
You re moving like a poem And it hurts to see you going

[Chorus 1]

Am **G**
I recall the smell of summer on your skin
Am **Em**
We were seventeen and everything was pounding and it wouldn t stop
Am **G**
It s hard to put to words what I was thinking then
D **C**
I don t know, we were alive or something

[Verse 2]

Browned off sitting amidst the endless cars
And when you stall out
They re beginning to pull away
You dried up like an august creekbed
I mounted in an album
With some photos of your summer friends
I can t tell what the note on the back said
You re moving like a poem
And it hurts to see you going

[Chorus 2]

I remember licking ice cream off your chin
We were seventeen
And everything was pounding and it wouldn t stop
It s hard to put to words what I was thinking then
I don t know, we were in love or something

[Solo]

I recall the smell of summer on your skin
We were seventeen
And everything was pounding and it wouldn't stop
It's hard to put to words what I was thinking then
I don't know, we were alive or something
