Song - Something Inside
Album - August Rush Soundtrack

Beautiful song and not too difficult although the walkdown in the chorus will be strange to beginners. Any problems feel free to correct or email me at sevendarkspirits@hotmail.com

G **Em**
When the one thing you're looking for is nowhere to be found
G **Em**
And you back stepping all of your moves trying to figure it out

Am
You wanna reach out, You wanna give in
C
Your head's wrapped around what's around the next bend
Am **C**
You wish you could find something warm ~Cause you're shivering cold

G
It's the first thing you see as you open your eyes
D
The last thing you say as your saying goodbye
C **Am**
Something inside you is crying and driving you on (x2)

C
Cause if you hadn't found me
Am
I would have found you
G F#/D Em D C (play chord progression again)
I would have found_____you

G **Em**
So long you've been running in circles ~Round what's at stake
G **Em**
But now the times come for your feet to stand still in one place
Am
You wanna reach out You wanna give in

Your head's wrapped around what's around the next bend
