This is my 1st tab, so any comments are welcomed. You can find this song on youtube, the artist is a friend of mine (ACMusic7).

Intro:

Am C Am C

Verse 1:

Am C Am C
I can not find a way, to put all these feelings away
Am C Am C
I can not get used to, not being able to kiss you
G F
I can't sleep tonight, cuz...

Chorus:

Am C
I need you, I want you
F G Am
I need you to know, that your my lullaby..
Am C
I want you, to love me
F G Am
To hold me through the night, cuz you my lullaby..

Am C F G

Verse 2:

I always tell you, how much I miss you
We can't be together, but I'll love you forever
And you'll love me too

Ooooh...

Chorus

Interlude: (same as chorus)

I need you with me, so turn back around
I need you to be, with me in the end
I think about you, I dream of you
You ll be the last thing on my mind, cuz your my lullaby..

Verse 4:

When I stare into those eyes, all I do is fantasize

About the things we've been through, and how much I need you
I truly do, love you

Chorus

my lullaby...

Am (strum once)

cuz you're my lullaby..
