I Miss You-Austin Kyle

**C**

I miss you

**F**

Just thought I would let you know

**C**

I ve had some trouble

**F**

Letting you go

**C**

It s not that easy

**F**

Remembering what we had

**G**

But I m a little bitter

**G**

But more than that

CHORUS

**C**

**G**

I still see you in my dreams

**F**

**G**

And I can t see the day when I wont be

**C**

Thinking about you

**G**

Or the memories

**F**

But before I go

**F**

I just want you to know

**C**

This morning

**F**

When my feet met the floor

**C**

I swear I saw you

**F**

Standing outside my door

**C**

And all I wanted

**F**

Was to just hear your voice

**G**

And I m a little angry

**G**

But it wasn't my choice

[CHORUS]

**Am**

When you're with someone

**G**

**F**

**C**

**G**

You don't think about these things

**Am**

**G**

Cause you know in your soul

**F**

**D**

It could never happen to me

[CHORUS]

I miss you
