Verse 1:

```
      Em              G  
I passed you by in the corridors,  
      A              Asus4  A  
One hundred-thousand times.  
      Em              G  
I told you things I should never share,  
      A              Asus4  A  
Things that should be mine.  
      Em              G  
Told you I would give you all  
      A              Asus4  A  
The heart that I possess.  
      Em              G  
I've made mistakes and I'll make some more  
      A~  
But in you lies my success
```

Chorus:

```
C      D              Em  
My friends where did you go?  
      A      C  
Woah-oh (my friends)  
      D              Em  
My friends where did you go?
```

Verse 2:

```
Em              G  
You take away my gift of life  
      A              Asus4  A  
And you claim it's in my name  
      Em              G  
I never tell you what to do  
      A              Asus4  A  
But still I'll take the blame  
      Em              G  
I gave you all my innocence  
      A              Asus4  A  
But you've exhausted it all
