

Axel Hard - The Breakthrough
Misc Unsigned Bands

Chords are **Am-F-C-G**

Everybody s got their problems,
Everybody says the same thing to you.
It s just a matter of how you solve them,
And knowing how to change the things you ve been through.

I feel I ve come to realize,
How fast life can be compromised.
Step back to see what s going on,
I can t believe this happened to you.
This happened to you.

It s just a problem that we re faced with, am I
Not the only one who hates to stand by.
Complications ended first in this line,
With all these pictures running through my mind.

Knowing endless consequences,
I feel so useless in this.
Get back, step back, and as for me,
I can t believe.

Part of me, won t agree,
Cause I don t know if it s for sure.
Suddenly, suddenly
I don t feel so insecure.

Part of me, won t agree,
Cause I don t know if it s for sure.
Suddenly, suddenly
I don t feel so insecure.

So

Everybody s got their problems,
Everybody says the same thing to you.
It s just a matter of how you solve them,
What else are we supposed to do?

Part of me, won t agree,
Cause I don t know if it s for sure.
Suddenly, suddenly
I don t feel so insecure.

Part of me, won t agree,
Cause I don t know if it s for sure.

Suddenly, suddenly
I don't feel so insecure.
Anymore

Why do things that matter the most,
Never end up being what we chose.
(Anymore)
Now that I find no way so bad,
I don't think I knew what I had.
(Anymore)

Why do things that matter the most,
Never end up being what we chose.
(Anymore)
Now that I find no way so bad,
I don't think I knew what I had.
