

Beau Regan - From This Place
Misc Unsigned Bands

Em C
I've built these walls
D
But they all just came down
Em C D
For all to see

Em C
The light revealed
D
What had been here
Em C D
From the beginning

Em C
With a tongue concealed
D
Behind a white fence
Em C D
And no words take hue

Em C
These eyes were hidden
D
Behind the blinds but
Em C D
You saw straight through

Em C
I can't stand up
D
On my own
Em C D
I need your strength
Em C
Cause you broke to the heart
D
That no one else could
Em C D
And took me from this place.
