Mamoy, Mamoy (by: Rebeka y Papi, 9-29-12)

**G** **C**  
When I met you I was just a boy,  
  
**D** **C** **G**  
You told me that your name was Mamoy,  
  
**C**  
Right away I fell in love with you,  
  
**D** **C** **G**  
Not something I planned to do.

Chorus:

**Am** **Em**  
Mamoy, Mamoy,

You pull me to you like the moon,

Mamoy, Mamoy,  
  
**C** **D**  
You put my old guitar in tune,  
  
**Am** **Em**  
I cant see you without love,  
  
**C** **D**  
Youre like a star from up above,

I love you Mamoy.
