Ben Udwin - Conscience Calling
Misc Unsigned Bands

```
-------------------------------
Song: Conscience Calling
Artist: Ben Udwin
-------------------------------
```

Tabbed by: lukematt

Tuning: Standard

*** My first tab - still in progress; just need to tab out the intro and
finger-picking parts ***
*** Thanks to Ben (the artist himself) for making some corrections ***

```
Dm          A                       Bb              F                  A
e|--1-----------1-----0----------0-----1-----------1-----1----------1-----|
B|--------3----------------2----------------3----------------1----------|
G|-----2----------2-----2----------2-----3----------3-----2----------2--|
D|--0--------0--------2-------2--------3-------3-------3--------3-------|
A|---------------------------------------------------------------------|
E|---------------------------------------------------------------------|
You put in ink the things you think that I should know, I ll tell you this:
```

```
                 Dm              Bb           A
e|--0-----------0-----1----------1-----3-----1-----0-------------0--|
B|--------2----------------3---------------------2-----3--------|
G|-----2----------2-----2----------2------------------------|
D|--2--------2--------0-------0----------0-------0---------------|
A|-----------------------------------1--------1-----0--4-----5--4*-|
E|---------------------------------------------------------------------|
It s not what I read it s what I see that I believe
```

```
Dm          Bb              F              A      Dm
```
So now I wait for you to cry, I try to satisfy your ego
```
    Bb        F           A
```
A peep-hole into another life

```
Bb              F                   Gm                    Dm
```
The past has shown you that our time should be spent wisely
```
Bb                  Gm      F     E7
```
But you took no notice of that
```
Bb          C                   A/C#          Dm
```
Before the fall it seemed like we were almost happy
```
Bb              F               A     A7
```

```
                                 I guess that some things never last

Dm                        Bb              F    Gm      F    A/C#
Conscience calling, heavens falling now
Dm                 Bb               F    Gm      F    A7
Heavy sleeper, she s gone deeper now

Dm         Bb             F                   A
So once again you say it s not the same, and I m to blame
       Dm                Bb              F                   A
Well this time it s not quite that easy, I ve seen something new

Dm         Bb             F                   A
You try to hide yourself, besides yourself, you ask for help
       Dm              Bb             F                   A
Well I ve got better things to do than waste my time on you

Bb            F                   Gm
I ve told you once, I ve told you twice
        Bb            F
And I m trying to be nice
             Gm                     F    E7
But you don t make it all that easy
Bb         C           A
It s up to you, what you do
          Dm                  Gm
Cos I m through with all of this
              F                    A   A7
I guess that some things never last

Dm                        Bb              F    Gm      F    A/C#
Threats are empty, pleadings plenty no
Dm                 Bb
Won t surrender, you ll defend her
F          Gm   G#dim    A   A7
But she s already let you go

Dm                        Bb              F    Gm      F    A/C#
Conscience calling, heavens falling now
Dm                 Bb               F    Gm    G#dim    A   A7
Heavy sleeper, she s gone deeper now

Dm
See look the world s not ended
Gm
```

You ve got another day
F
But time is not your friend yet
A
Don t throw this chance away
Dm
She s caught in paranoia
Gm
And you don t know the risk
F
They tried to make you join her
A7
She gave a Judas kiss

Dm   **A**   **Bb**   **A**
I don t know what you think will happen now
Dm   **A**   **Bb**   **C**
Cos she won t stay another day
Dm   **A**   **Bb**   **A**
I m laughing cos you just can t figure out
Dm   **Bb**   **A**   **A7**
Figure out you ve been betrayed

Bb   **F**   **Gm**
I ve told you once, I ve told you twice
        Bb   **F**
And I m trying to be nice
              Gm   **F**   **E7**
But you don t make it all that easy
Bb   **C**   **A**
It s up to you, what you do
          Dm   **Gm**
Cos I m through with all of this
              F   **A** **A7**
I guess that some things never last
                                Dm
Cos she s not looking to the past
