it s the perfect, stupid, drunken friday night

walking round town in my red high heels
then we re running through the streets
my heads being a liar
and my hearts on fire
and we re skipping to the beat
then you touch my hair take me by the hip
and you re leaning into me
oh hey pretty boy if you only knew
I think you would agree

CHORUS

Interlude- **G Em D G**x2

BRIDGE

And i want you to know
Em
that where ever this goes
D
whether we re lying on the floor
G
or wearing lack of clothes
C
that i ll remember this night
D
for the rest of my life

Interlude- **G Em D G** x2

Varied Chorus

So kiss me till you re sober
and laugh all through the night
you can regret it when it s over
i ll put it down to spite

it s the perfect, stupid, drunken friday night.
