Capo on first fret

(Intro)

F (Two measures) **Dm** (Two measures)

F

I m not asking for anything

Dm

But just to be with you

And just be

F

I am constantly wondering

Dm

If you aren t sleeping at night

I m not sleeping at night

C

cause I m always thinking

I m always thinking

F

Dm

Of that smile in your eyes

C

And I m always hoping

Always hoping if I could

(Chorus)

F

Have this night

Dm

Would you stand

By my side

And promise to

C

Hold on tight

til I say when

F

I can feel our hearts racing

Dm

But I think that my heart is winning

My head is swimming

F

In a sea of your beauty

Dm

You make all my dreams look like

They're all in black and white

C

And I'm always dreaming

I'm always dreaming

F

Dm

Of that smile in your eyes

C

And I'm always hoping

Always hoping if I could

(Chorus)

Bb

C

Dm

So let's park our car at the start of the runway

C

And lay on the warm hood facing the sky

Bb

C

Dm

Watching the cold kiss of airplanes landing

C

Bb

Wondering where they just came from and why

C

If I could

(Chorus)
