The choice for you, is the view to a kill.  
**Cm D# A# F**  
Between the shades, assasination standing still.  
**Cm G A# F**  
First, crystal tears, fall as snowflakes on your body..  
**Cm G A# F**  
first time in years, to drench your skin with lover s  
**G# F#**  
rosy stain.  
**B C# G# F#**  
A chance to find the Phoenix for the flame..

**B**                    **C#**  
a chance to die.....but can we..?

CHORUS:
