If You Can Live With It: Bill Anderson,  
On the country charts in '73.

#1.

NC                                C                C7                                F  
You say you've found another, another you love better.  
   C                                G7  
You say you're gonna leave me, pack up and go.  
   C                C7                                F  
You don't wanna hurt me but you've just gotta have him.  
   C                                G7                C  
And how will I take it? you want to know.

CHORUS:

   C                                F  
Well, if you can live with it, I can live without it.  
   C                                G7  
If you can face your conscience, I can face my pride.  
   C                C7                                F  
If you can live with it, I can live without it.  
   C                F                                G7                C  
Cause I did the only thing I could do..baby, I tried.

#2.

C    C7    F  
Can you really take your rings off without feeling kinda dirty?  
   C    G7  
Can you really kiss him while you're wearing my name?  
   C    C7    F  
Can you run your fingers all across his body?..  
   C    G7    C  
without missing me a little, and feeling ashamed?

CHORUS:

REPEAT#2.

A seventies smash from Kraziekhat.
