Am Hand me out to joy,
C G Wash away the colors of the night,
Am Em C G It s a long and dark road,
Am Em Put your head lights on,
C G Trying to find the you that is now gone,
Am Em C G I can only guide you.

```

...      Am      Em
Cause she s all that you have,
           C           G
And she s all that you want,
Am      Dm      F      G
You ve gotto go alone,
Am      Dm      F           G
You ve gotto go where its takes you,
Am           Dm
Burn all the sorrow,
F           G
Count all the crows,
Am           Dm
Burn all the sorrow,
F           G
Count all the crows,
           Am Em      G
Do you under      staaaaaaaaaaaaand?
           Am Em      G
Do you under      staaaaaaaaaaaaand?

```

(repeat all the same chords)
Can you smell the fear,
Running through the voices in your head,
Its a dangerous game,
Keep your head held high,
Cover all the bruises of your life,
These scars mean pain,
Cause she s all that you have,
And she s all that you want,
You ve gotto go alone,
You ve gotto go where it takes you,

Burn all the sorrow,
Count all the crows,
Burn all the sorrow,
Count all the crows,
Do you understand?
Do you understand?

(Hold **Am** and **Em**, change from **C** to **G** fast and hold the **G**)

Am Em C G

And through it all,

Am Em C G

You walk alone,

Am Em C G

Come back to me,

Am Em C G

When she is gone.

(same as before)

Am Em

Cause I m all that you have,

C G

And I m all that you want,
