#1.*** (Check it out on YouTube.)***

D **G** **D**
I want to be your lover,
A
but your friend is all I've stayed.
D **G**
I'm only halfway to paradise.
D **A** **D**
So near, yet so far, away.

#2.
D **G** **D**
I long for your lips to kiss my lips,
A
but just when I think they may,
D **G**
you lead me halfway to paradise,
D **A** **D**
so near, yet so far away...

CHORUS:

A **D**
Being close to you is almost heaven.
A **D**
But seeing you can do just so much.
A **D**
It hurts me so to know your heart's a treasure..
Bm **E** **A** **A7**
and that my heart is forbidden to touch, so...

#3.
D **G** **D**
Put your sweet lips close to my lips,
A
and tell me that's where they're gonna stay.
D **G**
Don't lead me halfway to paradise,
G **D** **A** **D**
Oh, so near, yet so far away. (Last line x2.)

A sixties smash from Kraziekhat.
