G **F#**
Because you didnâ€™t see him, either

Chorus

Enigma, show yourself to me
F **A**
Come and show me, your face

A **G#**
Telling you- about this man
A
Has been so much trouble
G#
I hope you understand what I say
G# **A**
As much as I- want you to know
G# **A**
I canâ€™t tell you because- I donâ€™t know

F **G**
Enigma, can you come undone
F# **A**
Can I see your face, and your mystery
