

**Blackened Blues - Down**  
**Misc Unsigned Bands**

Song-Down  
Band-Blackened Blues  
tuning-standard

Intro-**Am,G,Dsus2** (X2)

Verse 1:

**Am G Dsus2**

If I died,would anyone really care?  
If I fell into a crowd would anybody stop and stare?  
All these things i say are real  
they explain how i feel

Chorus:

**F G Am**

I feel like im lost and wont be found  
what ever happens i ll be forever down

Verse 2

**Am G Dsus2**

These situations are hard to believe  
shoul we keep on goin or just let it be  
we ve gone so far,we re at the end  
now what kind of plans did God intend?

Chorus

**F G Am**

i feel like im lost and wont be found  
I feel like my head s been smashed through the ground  
I feel like im lost and wont be found  
whatever happens ill be forever down....down...down....down.....down

Solo

chords during solo- **Am,G,Dsus2**

**C, Dsus2,Am**

**C Dsus2 Am**

People like you meet people like me  
others only see what they wanna see  
people like us,we never make a fuss

in the world or society

Chorus

**Am**            **G**                    **Dsus2**  
people like you meet people like me  
**Am**            **G**                    **Dsus2**  
others only see what they wanna see

the end!!!
