

**Brady Woodruff - Liealot**  
**Misc Unsigned Bands**

[Verse 1]

**G** Hey Mr. LieAlot, Why do you treat her this way?  
**G** Hey Mr. LieAlot, Which girl will you be with today?  
[Chorus1]

**G** Youâ€™re dimming down her angel eyes  
**E** Covering up just to hide your lies  
**A Em C**  
I need you to help me make her see.  
**G** Making her cry is just what you do  
**E** You never cared about anyone but you  
**A Em C**  
I need you to help me make her see  
**C G**  
No One will make her happier than me

[Verse 2]

**G** Hey Miss CryAlot  
**C**  
Why do you invite Misery?  
**G** Hey Miss CryAlot  
**C**  
I Hope you know heâ€™s with her currently  
[Chorus 2]  
**G** So open up those sweet blue eyes  
**E** Please just be done with his lies  
**A Em C**  
I need you to help me make you see  
**G** Making you cry is just what he does  
**E** Just come and hold my hand because  
**A Em C**  
I need you to help me make you see  
**C G**  
No one will make you happier than me

[Bridge]

**G**

I walked around the corner and I saw your back

**E**

I wrapped my arms around you, almost gave you a heart attack

**G**

I pulled you in so closely and I let you know

**E**

Whatever happens to us girl, I won't let you go

[Chorus 3/Outro]

**G**

So look into my longing eyes

**E**

Give me a kiss, make me want to fly

**A**

**Em C**

I'm more than glad that I've made you see

**G**

Holding your hand is just what I do

**E**

I'll never back down, Girl Me and you

**A**

**Em C**

I need you, I need you, to make me see

**C**

**G**

You've always been here and you always will be.
