Reflection

VERSE 1:

G D C A

My life could be so much better
If I had everything that you have
It would be my desire to be like you
Just to be known by everyone
Just to have the fame like you have
How it must feel to be the best
G D G A
That is one thing I will never know!!!

VERSE 2:

G D C A
If only my dreams could come true
I could do anything that you could do
I would be perfect in every way
I would be known by the night and day
But dreams will be dreams, And I m still the same
Don t know why I play this game
G D G A
Can t figure it out, So I can only ask WHY!?!

CHORUS:

G D Bm A
Why do I see the reflection in the mirror
Why can t I see it in my life
Let your life reflect in mine
All this stuff I want to change
G Bm D G
Can t hide it, I will always be the same

BRIDGE: PLAY WITH POWER CHORDS

G
Want to get away
A
Have to go, I can t stay
B
Want to run and hide

A

Have to change inside
