

**Bryarly Bishop - Hard To Say Goodbye**  
**Misc Unsigned Bands**

**C** **Am**  
I ve got your melodies to keep me companyÂ  
**C** **Am**  
I ve got your face on the screenÂ  
**C** **Am**  
I ve got these memories on my mind constantlyÂ  
**C** **Am** **C**  
I ve got my-self resigned to waiting patientlyÂ

**F** **C**  
And I won t lie - it s hard to say good-byeÂ  
**F** **G7** **C**  
It s one of those things that won t get easier with timeÂ  
**F** **C**  
But if you wait, I promise I ll wait, tooÂ  
**F** **G7** **C**  
Until the day that I can make my way to youÂ

**C** **Am**  
With your love of solitude and my inde-pendent moodsÂ  
**C** **Am**  
We will always spend a bit of time a-partÂ  
**C** **Am**  
But that doesn t bother me - uncompre-hendingly,Â  
**C** **Am** **C**  
We move away then back together easilyÂ

**F** **C**  
And I won t lie - it s hard to say good-byeÂ  
**F** **G7** **C**  
It s one of those things that won t get easier with timeÂ  
**F** **C**  
But if you wait, I promise I ll wait, tooÂ  
**F** **G7** **C**  
Until the day that I can make my way to youÂ

**C** **Am**  
I ll keep you here with me in every hazy dreamÂ  
**C** **Am**  
That lies u-pon my lashes when I m fast a-sleepÂ  
**C** **Am**  
And as my memories fade, I ll count the re-maining daysÂ  
**C** **Am** **C**  
Until I see you once a-gain in front of meÂ

**F** **C**  
And I won t lie - it s hard to say good-byeÂ

It s one of those things that won t get easier with timeÂ

But if you wait, I promise I ll wait, tooÂ

Until the day that I can make my way to youÂ

Until the day that I can make my way to youÂ
