Most of the song except the 2nd Chorus is palm muted

Intro: **G**

Verse 1:

**G**

So what, I love the AR

**C** **G**  
I hold the trigger and just spray

**G**

Who needs the battle rifle

**C** **G**  
When you have the AR and melee

**G**

So what, I bought my account

**C** **G**  
I could get a 50 if I want

**G**

Don't send me the bad 50

**C** **G**  
Screenshot I was playing for fun

Pre-Chorus 1:

**Em** **G** **Em** **G**  
I'm tired of messages about my K/D spread

**Em** **G** **C**  
So what if it's negative, it's just a silly game

**D**

And I am a BK

Chorus 1:

**C** **G**  
I am a burger king, that's what they tell me  
**Em** **G**

When I go negative fifteen playing MLG

**C** **G**

Verse 2:

**G**  
I fumble the flag, I blame it on lag  
**C** **G**  
That always happens when you re playing on LAN  
**G**  
I threw a sticky and it bounced back at me  
**C** **G**  
You got an overkill because I am bad

**G**  
If you think you re better than me  
**C** **G**  
Then prove it play me lvl  
**G**  
You can t see me on your radar  
**C** **G**  
I m crouching with the trusty shotgun

Pre-Chorus 2:

**Em** **G**  
You might think I am terrible  
**Em** **G**  
But I m a freaking General  
**Em** **G** **C**  
I have a 50 in SWAT and Grifball
