

Caitlin Dull - Love Me Or Love Me Not
Misc Unsigned Bands

Love Me Or Love Me Not
Written By Caitlin Dull
Standard Tuning

Intro: **G Am C D** (x4)

My Daddy says

G

you made the bed

Am

you're sleepin' in,
that you,

C

broke my heart

D

so I should settle in

G

'cause it's over!

Am

We're long gone"

C

D

we're over!

Am

All I can do is

C

D

look at him and say,
'Daddy he hasn't
made his yet!•

Am

And he says

C

'would you care

D

to explain?•

I say,

'I wish I could!•

Chorus:

G

Love me

Am

or Love me not?

C

I'm starin'

D

at the clock

G

Am

countinâ€™ down the seconds
that Iâ€™ve

C D
spent alone!

I
G
cross my heart

Am
and hope to die,

C
knock on wood,

D
and dry my eyes

G Am
as I fight too hard

C
to keep you!

D
Baby, make up
your mind!

G Am C D (x2)

You say,

G
â€œwait a couple

Am
months for me!

Iâ€™ll come

C
back for you!

D
Baby, youâ€™ll see!â€•

G
Well Iâ€™m waiting!

Am C
Yeah, I â€™m still here

D
waiting hopelessly!

Am
All I can do is

C
look at my friends

D
and ask,
â€œWhat am I supposed
to do next?â€•

Am C
I believe him,

D
but I...

I wonder
â€œDoes he still...?

(Chorus)

G Am C D (x2)

Am

I remember all the
times I spent

C

standin' in the rain

G

watchin' your car

D

drive away!

Am

Back when no doubts
existed

C

'cause they were
washed away,

G

and back before

D

the world turned gray!

Back when I

Am

needed you,

back when I

C

knew the truth,

back when I

G

knew I loved you

Dsus2 D

enough to say,

Chorus:

G

Love me

Am

or Love me not?

C

I'm starin'

D

at the clock

G

Am

countin' down the seconds

till I

C

D

see your face!

I

G

cross my heart

Am

but don't know why!

C
I knock on wood,
D
and fix my eyes
G **Am**
as I fight too hard
to keep you!
C
But Baby,
D
I donâ€™t!
G
Love you?
Am
I Love you not!
C
As I stare
D
down my clock
G **Am**
countinâ€™ back the seconds
since you
C **D**
broke my heart!
I
G
cross my heart
Am
and know Iâ€™ll die,
C **D**
if I keep up this fight
G
of tryinâ€™ too hard
Am **C**
to keep you!
D
Baby, look!
Thereâ€™s a sign!
