     She promised you stars,
Like you read all her pages,
    All of the tension,
And the company of strangers,
The fear that you came with,
You though you d escaped it,
But even while breaking,
You could still be persuaded...
   Looking out...
G
   Across the lights...
Until the morning.
Oh, but didn t they shine!
      F
Like a night sky.
Didn t they shine!
Like a hazy day rain,
                                                Е
Like champagne and heartbreak.
Oh, but didn t they shine,
(Oh, didn t they shine)
Like a night sky,
(yeah, yeah, yeah)
But didn t they shine,
(Oh, didn t they shine)
