When I come around

Verse 1:

G **Em** **C** **D**
I have been living with you so long,
G **Em** **C** **D**
And I don't see the point of us carrying on,
G **Em** **C** **D**
Cause our love is just a figment of our imaginations,
G **Em** **C** **D**
It's like I'm here, but I'm not really here,
Chorus

Em **C** **G** **Em** **C** **G**
And do you understand, would you take my hand?
Em **C** **G** **Em**
C **G**
Would I be the one you run to, when a stranger comes along?
Em **C** **G** **Em** **C** **G**
Would I be your clown, when you're feeling down?
Em **C** **G** **Em** **G**
C
The time I come around, I hope to see you up not down
G **C**
When I come around.

Verse 2:

G **Em** **C** **D**
Can you see me standing right here?
G **Em** **C** **D**
I've been loving you for years and years,
G **Em** **C** **D**
I just can never pull myself through,
G **Em** **C** **D**
To never say I love you
Chorus:
Em **C** **G** **Em** **C** **G**
And do you understand, would you take my hand?
Em **C** **G** **Em** **C** **G**
Well do you know my name, do you think I'm lame
Em **C** **G** **Em** **C**
G
And I think it's such a shame, that whenever I come round
Em **C** **G** **Em**
You are never up just down
