Iâ€™m wondering why I canâ€™t find (say â€œfindâ€• at first Am7 pull-off)  
 enough strength to tell you, (strum Am7 at â€œyouâ€•)  
 exactly how I feel (say â€œfeelâ€• before first chord)  
 my emotions are locked inside (say â€œinsideâ€• at first Am7 pull-off)  
 for fear they may be real. (strum Am7 at â€œrealâ€•)  
 but fear wonâ€™t stem this tide (say â€œtideâ€• before Em7 pull-off)

Bridge-alternate between (D7/G and **Am**)

If love is some unreachable ideal

I'm going to do what I can to make it real

And as the days become months

and the months become years I hope

happy is new but somehow oh I'll learn to cope

For now I will be as patient as I can be

And pray I don't have to live without you with me.

Chorus

**C7/G D**

I spent so many days waiting to kiss you

**C7/G Dsus4**

And so many more trying not to miss you

**G Cadd9 D/F# Em G, Cadd9, D/F#, Em**

I just needed to let you know
