Away from all that it had once become

They all cried for my help, but I stood there numb

Chorus:

I gaze off into the boundless skyline
F Dm
Noteblock choirs playing in the sunshine

Turn round pick up my sword and wield

The blade that once forced evil mobs to yield

.

Thanks for trying this. The rest of the lyrics are down below. :)

It was the creepers and Skeletons
Blew down the doors and boxed us in
Arrows whizzing by like streaks of light
I tried all that I could to stay and fight

As the undead roamed the street
Families broken at my feet
Life itself suspended by a thread
Oh, why is it that I wasn t dead

I gaze off into the boundless skyline
Noteblock choirs playing in the sunshine
Turn round pick up my sword and wield
The blade that once forced evil mobs to yield
If this battle should leave me slain
I know Herobrine will call my name
Better to take a stand
And that s when I ruled the land

OH! At the end:

Bb C Am Dm

Repeat and fade.

Bye!
