Thanks for trying this. The rest of the lyrics are down below. :)

It was the creepers and Skeletons Blew down the doors and boxed us in Arrows whizzing by like streaks of light I tried all that I could to stay and fight

As the undead roamed the street Families broken at my feet Life itself suspended by a thread Oh, why is it that I wasn t dead

I gaze off into the boundless skyline Noteblock choirs playing in the sunshine Turn round pick up my sword and wield The blade that once forced evil mobs to yield If this battle should leave me slain I know Herobrine will call my name Better to take a stand And that s when I ruled the land

OH! At the end:

Bb C Am Dm

Repeat and fade.

Bye!
